# THE THRILL SEEKER WALKING TRAIL

# The trail starts at Jews' Gate...

Get the bus to the Garrison Gym follow the signs to the Upper Rock...

## 1 Jews' Gate

The trail begins at Jews' Gate, the entrance point to the Upper Rock. Enjoy stunning views over Europa Point and the Strait of Gibraltar before proceeding on the trail.

## 2 Mediterranean Steps

Zig-zag your way up to the highest point on the Rock via this jaw-dropping path along the eastern cliff-face of Gibraltar; taking in breathtaking views over the Mediterranean on your way.

## 3 O'Hara's & Lord Airey's Point Batteries

These batteries at the southern end of the Rock give unparalleled panoramic views over the Strait. Visit the two huge 9.2" gun emplacements.

## 4 Douglas Path

Continue along this pedestrian trail that snakes its way along the upper ridge of the Rock, viewing former military positions and sentinel posts along the way.

## 5 Skywalk

Walk along this panoramic glass-bottom walkway, cantilevered over the steep drop of the eastern cliff face.

## 6 Charles V Wall

Proceed down via the steep steps of Charles V Wall, the 16th century defensive wall that forms part of Gibraltar's historic fortifications.

## 7 Windsor Bridge

The route continues along the path named after the 2nd battalion, The Royal Anglians. Nestled between old batteries is a 70-metre long suspension bridge that spans over a deep ravine.
